Congratulations! We are pleased to offer you the position of Campus Leader for 30 days at TechLearn. You will be the face of TechLearn at your campus and you will find yourself surrounded throughout with numerous opportunities to refine and showcase your leadership skills.

We look forward to having you on-board and to a successful mutually enduring relationship, based on your performance during this event we may offer you position for permanent representative for TechLearn.

Your Major tasks would be:

- Actively promoting TechLearn Webinars and workshops on various platforms and social media
- Making sure students get complete information for the same, and resolving their queries regarding registrations, dates, participation etc.
- Making sure students join our communication groups.
- To be the face of TechLearn in your campus.
- Continuously promote TechLearn on social media platforms throughout the internship.
- Managing the student's community and helping them with their queries regarding content, actionable items and opportunities ahead with TechLearn.

Payment terms:

- You will be paid Rs.25 in your account/UPI as requested for every unique student attending the session designated to you for the specific date and time. In addition, you will also get paid Rs.10 for every repeat user in the upcoming sessions. No payment shall be given for session attendance of less than 45 minutes' duration.
- You will be paid for other tasks which will lead to subscription like social media engagement, community nurturing and other promotion throughout your term as campus leader.
- You will be paid for prize money you get in any of our conducted competitions/tasks during internship.
- You will be paid Rs. 200 for making referrals for campus leaders in different colleges once we recruit them and they perform as per given standards.

Cheers!
